JEGEN CENTER FOR CATECHETICAL MEDIA AND RESEARCH  
Vol. XI, No. 3

ARCHDIOCESE OF CHICAGO  
SPRING, 2008

## A Note from the Editor

Lent and Easter couldn't be much earlier than they are this year! We barely took down the Christmas decorations. Here at the media center we are gathering feedback from you in the field about what kinds of things you need from us. With DVDs becoming more prevalent and many more resources available online, we have sent some talking points around with the Vicariate Catechetical and Youth Ministry Coordinators to pick your brains about the best way we can continue to serve you.

The Jegen Center mission is "to share innovative, doctrinally sound and varied tools and techniques to support catechesis for a lifetime of learning." Ten years ago when we first opened our doors, fulfilling that mission was somewhat different from the shape it needs to take now. Technology has developed by leaps and bounds over the past decade. The needs of catechetical leaders, catechists and youth ministers has shifted. In order to continue fulfilling our mission we are adapting to these changing times too.

You already know of the merging of three of the publishing companies into one—Benziger, RCL and Silver Burdett Ginn Religion becoming RCL Benziger. The most recent modification in the scheme of things is that you now have one sales representative for the products of all three former companies, namely, Peter Caragiulo.

Read on for more information!
